

JEWIS RAISE FUNDS TO AID OWN PEOPLE

More Than \$700 Pledged for
Sufferers in Palestine
and Europe.

ARE GREATEST SUFFERERS
BY WAR, SAYS DR. SIMON

Declares Race Has Contributed Its
Share Toward Relief Work of
Other Organizations.

More than \$700 for the relief of Jewish people in Palestine and throughout Europe who have suffered as a result of the war was raised at a mass meeting in the Jewish Temple last night, representing twenty-seven Hebrew associations and the entire Jewish population of Washington.

It was made clear that this was but a first step in the campaign to raise a very large fund to be distributed through the Jewish Temple, the only international Hebrew organization. The money is to be sent direct to the allied branches of the society in the foreign countries through the American ministers.

There was a large attendance in the temple last night and strong appeals were made by Simon Wolf and other leaders of the Jewish faith. Some of the large contributions were made as follows: Simon Wolf, \$50; Emil Berliner, \$100; and the Young Women's Hebrew Association, \$50.

Joseph L. Tepper Presides.

Joseph L. Tepper, representing the Jewish Temple, introduced as the presiding officer by J. L. Blout, president of the Washington Hebrew Congregation, at whose temple the meeting was held.

Mr. Tepper announced that thousands of dollars already have been raised for this purpose, and the largest donations have been made in Chicago, where more than \$50,000 have been contributed.

Dr. Abram Simon of the Jewish Temple asserted that the Jewish people were the greatest sufferers from the war. He said that for years the families of the Hebrew people who are now fighting will be destitute, and that there are few people willing to come to the aid of the Hebrews.

"The Hebrews of America," he said, "have very properly contributed their share toward the relief work of the Red Cross and other organizations which are aiding the sufferers abroad. Our first obligation, however, is to help our own people, not by cheap compassion, but by responding to direct appeals for funds."

Dr. Simon declared that the burden of supporting the institutions in Palestine, which hitherto have looked to Europe for their sustenance, will now fall upon the American Hebrews. It will be necessary for the Americans to maintain the Hebrew institutions there for many years after the war, he said.

Quotes Story of Joseph.

Rabbi George Silverstone of the Fifth Street Temple uttered a protest against the failure of those not of the Jewish faith to help provide for the suffering Hebrews in their time of need. He quoted from the story of Joseph and his brethren who had thrown him into a pit, robbed him of his clothing and left him to die. He emphasized the fact that the Hebrews in their time of famine, "I am your brother and I will help you."

W. D. LEWIS A SPEAKER.

Philadelphia Educator to Be Heard
at Teachers' Institute Here.

"Socializing the High School" is to be the topic of William D. Lewis, principal of the William Penn High School

for Girls, Philadelphia, when he speaks at the Teachers' Institute, which is to be held here November 5 and 6, under the auspices of the District public school officials and teachers. The sessions are to be held in the First Congregational Church.

Ernest L. Thurston, superintendent of schools, who is making arrangements, has now obtained six of the eight speakers for the institute. Supt. Thurston is planning to have special attention devoted to those subjects which are "near" to the educational work being done in the district, so that the teachers may receive practical help for solving their problems.

HEADS THE HONOR ROLL.

Albert L. Boyd, Senate Page, Winner of Distinction.

Albert L. Boyd, fifteen years old, the son of Dr. George W. Boyd of this city, has taken first honors this year in the competition for recognition of industry, courtesy and general merit in discharge of duties among the pages of the Senate. Ranking second and third in the honor roll are Everett W. Held of Indiana and Clyde S. Bailey of Pennsylvania.

The competition was keen, for the youngsters eagerly seek the honor of heading the roll, though the distinction brings no material reward. A system of marking merits and demerits was in operation.

Boyd, who took the honors this year, was second on the roll last year. He was appointed page three years ago by Senator Gallinger of New Hampshire.

PROBATION IS REVOKED.

Sarah Moore, Colored, Convicted a Second Time of Assault.

Sarah Moore, colored, who last winter was placed on probation after having been convicted of an assault with a dangerous weapon, again was arraigned in Criminal Court No. 1 today.

Chief Justice Covington was informed that the girl had violated her probation and recently had been convicted in the Police Court of an aggravated assault. He immediately revoked the probation and ordered executed the sentence of five years imposed by the late Chief Justice Claiborne. She will leave for the Baltimore penitentiary in a few days. Attorney Harry L. Tignor represented the accused.

LANCASTER IS FINED \$800.

Jail for 180 Days Alternative for Conducting Unlicensed Bar.

A fine of \$800, with 180 days' imprisonment as the alternative, was imposed on William Lancaster, colored, in the Police Court today by Judge Pugh on a charge of conducting an unlicensed bar.

Lancaster was arrested in a raid yesterday by Sgt. Whalen, Policemen Williams and Anderson and Detective Delamotte of the ninth precinct. Several bottles of whisky and beer were exhibited in court as evidence. A marked drink with which the girl had violated her probation, was also used in the raid. Lancaster was charged with having purchased liquor from Lancaster also was exhibited.

When arrested the defendant had \$117 in his pocket, but was unable to pay the fine imposed.

Ray Hoggsett Held for Grand Jury.

Ray Hoggsett was held for the action of the grand jury in \$500 bonds today in the Police Court by Judge Mulwony on a charge of grand larceny. Hoggsett, who was arrested by Detective Howlett, is charged with stealing a horse and buggy from Ernest Burdett.

Secretary of State
BRYAN says:

"There will be no postponement of the PANAMA-PACIFIC INTERNATIONAL EXPOSITION. It will open, according to the original plans, on February 20, 1915. The Government has received official notice from thirty-seven foreign governments of their intention to participate in the Exposition, and no foreign nation has given notice of its intention to withdraw on account of the war. In addition to the official acceptance, the Exposition received assurances from committees in four nations that the people of those nations would participate. Among these committees were two formed in Great Britain and Germany. Neither of those nations had given notice of Governmental participation.

"The Governments of France and Italy have given notice that they will proceed with their plans for participation, notwithstanding the disturbed conditions in Europe."

LEADERS REVIEW
WORK SESSIONS

Total of \$586,977.11 Reported
as Disbursed by Seventh
Day Adventists.

ANNUAL REPORT IS MADE
TO THE DIVISION COUNCIL

Church Delegates in Session at Takoma Park Discuss Interests in Foreign Countries.

During the last fiscal year a total of \$586,977.11 passed through the treasury of the general conference of Seventh Day Adventists in the form of mission funds, according to the report of Elder W. T. Knox, presented at this morning's session of the joint fall council of the general and North American division conferences, now in progress in the administration building in Takoma Park.

All of this money was gathered by the membership in North America, and the greater portion of it was forwarded to foreign lands for the advancement of the gospel. The Sabbath schools had a large part in donating to this fund, the total from this source alone being \$235,430.72. Mrs. L. Flora Plummer of Washington state, who is the only woman member of the general conference committee, is the secretary of the Sabbath school department.

Other sources through which this money was collected and the amount given included the annual offering, \$12,044.00; monthly offering, \$88,282.99; mission offering, \$38,811.07; weekly offering, \$16,652.82; sundries, \$1,478.75; colored work, \$1,094.35; religious liberty fund, \$1,059.49; surplus, \$69,670.57; miscellaneous, \$12,461.15.

Fund for Missionary Work.

More than a half million dollars has been appropriated for missionary advancement during the two sessions of the general conference that have thus far been held. The work in India was given considerable attention today, and \$55,833.98 was the amount voted for that field for the coming year.

That the denominational work made during the last year was made in the face of the fact that there have been no additional appropriations of \$13,498.08 for the enlargement of their camps during the coming year. New homes are to be erected for the missionaries that have been added to the corps during the last year, more native workers are to be employed, new portions of the country entered, and other things done to keep the movement going.

Great enthusiasm was manifested at the session of the North American division conference in outlining plans for the advancement of the young people's work, which directly involves between 35,000 and 40,000 young men and women in Canada and the United States.

Propositions Submitted.

Four propositions were submitted to the council for consideration by the general and North American division conferences. Prof. M. E. Kern, C. L. Benson and Elder Meade MacGuire, and these were approved.

A goal was set for the coming year to raise several thousands of dollars for foreign missionary endeavor, to get 3,000 members of the society to read the Bible through, to win 2,000 souls to Christ, and to have 1,000 take the standard of attainment course in denominational history and Bible doctrine.

Prof. Kern gave an outline of the progress of the young people's department for the coming year. A different society worked on the plan of raising \$25,000 for missionary endeavor. It is expected that at least this amount will be raised in the coming year. Short talks favoring the young people's movement that has been having a marked success in North America in the last few years, and pledging co-operation, were made by E. E. Andrews of Los Angeles, Charles Thompson of Minneapolis, W. C. White of St. Helena, Cal.; R. A. Underwood of College View, Neb.; Prof. Frederick Griggs, the head of the educational department; C. W. Flaiz of College Place, Wash.; O. Montgomery of Atlanta, Ga.; E. P. Watson of Worth, Tex.; E. G. Wilkinson of Takoma Park, and F. W. Paap, secretary of the home missionary work in Washington.

In Interest of Bible Study.

The delegates heartily favored the plan of having the students attending the different colleges and academies conducted by the church in North America choose a day each week for the giving of Bible studies in the vicinity of these institutions and also distribute gospel literature. This plan will also be used in the hundreds of local church societies, only that the members will go out in a body about once a month.

The Washington Missionary College, it was stated, has set apart one day in each week for members of the ministerial, Bible teachers and colporteurs' bands to engage in active missionary work in Washington.

In the first sessions appropriations were made to extend the gospel in new parts of China, Japan, the Philippines, the Hawaiian Islands, Cuba, Manchuria, the Malay States, various parts of South America and the Bahamas. Large amounts were also provided for Mexico, Haiti and other islands in the West Indies, Chile, Peru, Bolivia, Ecuador, Colombia and the Central American States. Every union conference president in North America is in attendance, together with the secretaries of the educational, Sabbath school, publishing, treasury, medical, young people's, home missionary and statistical departments, managers of the publishing houses located in Takoma Park, Mountain View, Cal., Nashville, and the different union conferences. This convention or council will continue until November 5, and problems of world importance to the church will be considered.

Elder Evans Presides.

The sessions are being presided over by Elder L. H. Evans, president of the North American Division Conference, in the absence of President A. G. Daniells, who is now in India as a part of the world tour he started last June. Among those in attendance are Elders W. A. Spicer, secretary of the General Conference; W. T. Knox, treasurer; O. J.
